SESSION PROCEDURES

Coaching sessions will be conducted by telephone or Skype (voice) - you are free to choose which method works best for you. It is not a requirement, but occasionally, we may choose to use a system in which you, the client, will be able to see my computer screen for a more interactive coaching session. To accomplish this, you will simply login with a link I email to you.

We will have at least 3 sessions per month, but as previously indicated, you may schedule more or less to lengthen or shorten your journey. I respect your time and will keep each session to no more than the specified 60 minutes. If you need to cancel a scheduled session, please provide me with **24 hours notice** and we will reschedule.

EMAIL SUPPORT

You may email between our appointments if you need assistance, have a problem, or would like to share a success with me. This is a special bonus with the Life Journey Program, and I encourage you to take advantage of this opportunity.

PROBLEMS

If I should ever say or do anything that doesn't feel right please bring it to my attention. I promise to do what is necessary to have you be satisfied. Honesty and trust are critical for our relationship to grow. I want this to be an open and safe place for you to come with confidence.

CONFIDENTIALITY

Confidentiality is critical to our relationship--our coaching sessions are strictly confidential. Any subject discussed and/or items shared, including such things as personal information, future plans, proprietary information, goals, job and company information, will remain confidential.

RELATIONSHIP

We have entered into a coaching relationship and it is not, nor will there be any type of therapy or psychological counseling. If these are needed, then it is your responsibility to seek these services from the relevant professional. If there is any question about this coaching relationship, please bring it to my attention immediately.

FEEDBACK

I improve my offering through client feedback, positive and negative. Within the first couple of months if you feel so compelled I would appreciate a testimonial for use in marketing. Thank you!

I look forward to partnering with you in this fascinating and transformational life journey!
